

ANNOUNCEMENT: SUBCONTRACTING OPPORTUNITY

Title: The Energetics Technology Center is seeking qualified businesses with experience in digital engineering and developing software applications.

Solicitation Number: ETC-0350-ICAM Digital Engineering Workforce

Solicitation Brief Description:

The requirement is to develop a cloud-based network of engineering software applications that would be available to small businesses at either minimal cost or no cost to allow them to improve business opportunities with original equipment manufacturers (OEMs) and Tier 1 suppliers to OEMs thereby improving their workforce development capability specifically in digital design and engineering.

Type of Business Being Solicited:

All qualified businesses with experience in developing engineering software applications.

NAICS Code: 518210 Computing Infrastructure Providers, Data Processing, Web Hosting, and Related Services

Place of Performance: Virtual with a pilot deployment of the cloud-based system in Ohio

Performance Start Date: Estimated December 1, 2023

Solicitation Closing Date: November 10, 2023, 4:00 p.m. EDT

Please contact Debbie Ray at dray@etcmd.com for a copy of the Solicitation / Request for Proposal.
